

Who We Are

GOLDEN VIEW CARE HOME is a state-certified care home that provides activities of daily living, companionship services, and a safe and respectful environment to support liberty and quality of life for our Residents

GOLDEN VIEW CARE HOME is the right choice for seniors who want to stay independent, but also get the care they need. Our residents enjoy all the local activities that Vallejo has to offer.

There are also dining and shopping options for outgoing seniors. Doctors and pharmacies are also conveniently close by in case of an emergency. We offer a complete suite of care options that has repeatedly obtained high ratings for our staff, the tidiness of our facility, and our incredible attention to every detail.

You will have a large selection of options for care that we think is the best in Vallejo. You can take a deep breath and relax knowing that you have the support available anytime you need it. Come visit us today
